Physical Therapy Roundtable

We will explore recent evidence studies and work together to translate that knowledge into our practice. Updates will be provided regarding DPI Initiatives, Medicaid developments and any other pertinent topics will be discussed. Any school-based physical therapists or physical therapist assistants are cordially invited to attend this session. Course content will cover a wide variety of topics, as directed by participants (include topics and issues with your registration) which may include but is not limited to: school-based evaluation, IEP development, intervention, data-based practice/progress monitoring, policy, ethics, and documentation. We will spend as much time as required to answer all questions and discuss key issues in our practice.

Instructor(s): Laurie Ray

Participants will get .3 CEUs

Special Assistance: Any individuals requesting accommodations under the Americans with Disabilities Act should contact the support staff before the training.

*****NOTICE*****
